DURABILITY THAT MAKES A DIFFERENCE®

# The Next Generation of Camtrays®

Finally a tray that works equally well for transporting food as well as dining. The new Century™ Camtray® has an innovative design that features low edges and open corners. The low profile design increases space utilization on the tray surface. This provides increased revenue opportunities as more items can be placed on the tray. Unique ergonomic corners enhance user comfort while dining as customers can comfortably rest their forearms on the flat corners.

- Durable fiberglass construction
- Available in 14" x 18" and 15" x 20" (36 x 46 cm and 38 x 51,5 cm)
- Stacking lugs allow free air circulation for fast drying and perfect stacking
- Stacking capacity is 30% greater than regular trays
- 5 year guarantee against breakage during normal use
- Dishwasher safe
